CYGALLE HEALING SPA LAUNCHES MEN'S AND WOMEN'S HOLISTIC SKIN CARE COLLECTION

Specialty Natural and Organic Products Bring Luxury, Healing Spa Experience Home

NEW YORK – May 18, 2009 – Cygalle Dias, founder of Cygalle Healing Spa, is launching a new line of natural and organic facial products for men and women that includes cleansers, toners, serums, masques, moisturizers, and shaving crème formulated to create a sensory journey. The products feature certified organic ingredients such as peppermint leaf, marshmallow root extract, lavender oil, green tea, sweet orange oil, grapefruit oil, rose oil, and safflower oil. Only the purest ingredients are used and each product is made upon order, ensuring the treatment's freshness and potency.

The packaging is made from PET material, which makes it eco-friendly because once recycled the bottles are used for raw materials for a range of products that would otherwise be made of polyester, which is harmful to the environment. Further, because each product is made upon order no products go to waste or sit in warehouses losing their potency while waiting to be shipped.

Women's product highlights include:

- Raspberry Q10 Moisturizer: *Rich in nutrients and antioxidants that encourage healthy, vibrant skin. This moisturizer contains Cranberry Extract, Amazonian Butter, BioActive Anti-Oxidants, Omega 3 and 6, and Vitamins C and E to revitalize skin, deter free radicals and combat signs of aging.*

The inspiration behind the product line and one of the specialty aspects of Cygalle Healing Spa is the Spa Pharmacy. At the Spa Pharmacy fresh coconut oil is distilled and mixed into body masks, local coffee beans are ground into the Espresso Polish, and fresh honey and organic milk are blended for the Land of Milk and Honey Body treatment. The new line also uses the most natural ingredients for the products, giving them an integrity not easily found in mass-produced health and beauty formulas.

Products can be purchased directly through the Cygalle Healing Spa Web store at www.cygallehealingspastore.com.
