**ECO-FRIENDLY**

**CYGALLE HEALING SPA AT  
CASA DE CAMPO RESORT**

**Where?** La Romana, Dominican Republic

**Tell Me More:** Want to glow like a Charlotte Ronson model at New York Fashion Week? This was the eco-spa behind their luminous faces. Their Spa Pharmacy blends your treatment from local ingredients – coconut oil, ground coffee beans or honey. It's 100% natural, 100% environmentally friendly and 100% divine.

**The treatment:** The Tropical Day Dream (\$180 (£113) for 100 minutes) begins with an organic sugar-cane exfoliation, followed by a fruit 'smoothie' body mask, and finishes with a warm, tropical oil application. Delicious.
